Topographic map of the Utsunomiya area showing the proposed evacuation route for the Utsunomiya Junior High School. The map includes contour lines, roads, and various landmarks. A red line indicates the proposed evacuation route, which starts from the school and goes towards the mountains. Numbered boxes (1-20) indicate specific locations along the route. A legend in the bottom right corner explains the symbols: a red line for '対策必要箇所' (Area requiring countermeasures), a solid black line for '対策完了' (Countermeasures completed), and a dashed black line for '対策未完了' (Countermeasures not completed).
